

PaperBox Books Publishing

Great Books on the Download

News Release - December 23, 2009

And... we're up!

PaperBox Books is open for business and we have e-books to sell.

Perry A Wilson and Susan Buckley have been working hard behind the scenes to send their novels through the e-publishing process to ensure they haven't missed a trick and overcome the little challenges along the way.

They have other authors are already immersed in the editing process – watch for their e-book launches coming in 2010.

Check out their current titles at <http://paperboxbooks.com>.
